WAVELAND TO REPAIR LADNER PIER

BY CASSANDRA FAVRE
STAFF WRITER

The Waveland Board of Mayor and Aldermen on Wednesday approved a motion to advertise for construction bids for repairs to the Garfield Ladner Memorial Pier.

The pier sustained severe damage during 2020's Hurricane Zeta and has been closed to the public since.

In September 2022, FEMA gave the city the green light to move forward with repairs.

Engineer Jason Chiniche said the repairs would take about six to nine months to complete.

"We are looking at having some language in the contract to have the demolition completed ahead of time so at

least we can get the area cleaned up," he said.

In other action: The board approved the adoption of Ordinance #382 which prohibits the "burning of trash, debris, grass, and other flammable material within the limits of the city of Waveland without having first obtained a permit to do so."

The ordinance reads as follows:

ORDINANCE # 382
ORDINANCE PROHIBITING THE BURNING OF TRASH, DEBRIS, GRASS, AND OTHER FLAMMABLE MATERIAL WITHIN THE LIMITS OF THE

BHS principal charged with shoplifting

ECHO STAFF

Bay High School Principal Amy Yarbrough Necaise was charged Tuesday with misdemeanor shoplifting, Waveland Police Chief Mike Prendergast said.

"Judge Desmond Hoda signed the warrant," Prendergast said. "Dr. Necaise turned herself in this morning and was released at the department on a \$500 cash bond."

The charge stemmed from an incident that al-

legedly occurred at the Waveland Walmart on Sunday.

Prendergast said Necaise was allegedly using the self-checkout and some items in her bag did not get scanned in.

Walmart management pressed the charges, he said. Bay-Waveland School District Board of Trustees officials on Tuesday declined to comment, pending the outcome of the investigation. A preliminary hearing has been scheduled in Waveland Municipal Court, Prendergast said.

Hancock Honors A Great Hawk

On Friday, August 18, the Hancock County School District honored one of the Hawks' greatest supporters in the late Dwayne Bremer. The longtime Sea Coast Echo sports reporter who covered Hancock Hawks football for 20-plus years passed away in April. The school district presented his widow, Mary Ann, a framed jersey in honor of Dwayne's unyielding support of the Hawks prior to the start of the Hancock/Bay High football jamboree. The Hawks beat the Tigers in the modified jamboree 29-7. Leetown man dies after being arrested in Hancock

A Leetown man died last week after being arrested.

Hancock County Coroner Jeff Hair identified the man as Daryl Dehart, 55.

Sheriff Ricky Adam said that Dehart had been arrested last Monday, but, “before he could get booked in, he started having some kind of medical episode. We called AMR, but they did not have anybody to respond. ... We’re not sure why.”

Adam said that deputies transported Dehart to Ochsner Medical - Hancock Center.

“We gave him CPR all the way to the hospital,” Adam said, but “he passed away at the hospital.”

Hair said that the cause of death is still pending autopsy results.

Services for Dehart will be held in Sayre, Okla. and Modesto, Calif. at a later date. In lieu of flowers, memorial contributions may be made in Dehart’s name to the American Heart Association.

Former deputy gets 30 years in prison for child porn

A former Hancock County sheriff’s deputy was sentenced to 30 years in prison last week for the production of child pornography.

Derrick Patrick Flanagan, 38, pled guilty to the crime this past April.

He was serving as a Hancock deputy and stationed at the Diamondhead Police Department in February 2022 when the sheriff’s office received tips about child porn-related activities.

Sheriff’s investigators “immediately contacted the Cyber Crimes Division of the Mississippi Attorney General’s Office and turned all information over to their agency for handling,” Sheriff Ricky Adam said in a press release at the time. Investigators also contacted the FBI.

“Upon his arrest, Derrick Flanagan was terminated from his employment with the Hancock County Sheriff’s Office.”

In addition to the 30 years in prison, Flanagan was sentenced to a lifetime of supervised release after he completes his sentence. He was also ordered to pay a \$5,000 fine under the Justice for Victims of Trafficking Action of 2015, as well as a \$10,000 fine under the Amy, Vicky and Andy Child Pornography Victim Assistance Act of 2018, according to the the U.S. Attorney’s Office.

Mississippi State University Basketball forward Tolu Smith on Friday visited the Boys & Girls Clubs of the Gulf Coast Hancock County Club, meeting with the children and presenting a charitable contribution to support the academic and STEM-related pro-

grams at the club.

An alumnus of the Hancock club, Smith said Friday he was “happy to be able to give back to the club.”

Smith grew up in Bay St. Louis and prepped his sophomore and junior years at Bay High. The family chose to move to Hawaii for his senior year and he finished at Kahuku High and Intermediate School where he registered 21.2 points, 10.3 rebounds and 1.6 blocks per game.

Smith was named Honolulu Star-Advertiser Player of the Year and ranked No. 1 on the all-defensive team, Biloxi Sun Herald’s All-South Mississippi Player of the Year in 2017-2018, and Oahu Interscholastic Association Eastern Division Boys Basketball Player of the Year. Smith spent his freshman season at Western Kentucky and entered the transfer portal the following season. He transferred to Mississippi State in 2020 and is currently in his third season.

During his visit Friday, Smith encouraged the students to pursue their educational goals while “staying focused, committed and disciplined.”

minated for “malfeasance....violating the Board’s Access to Public Records policy for failing to charge a fee for documents provided in response to requests for

redistricting records.”

According to the complaint, Merwin denied any wrongdoing, “explaining that no fee was charged because of the small volume of documents, consistent with longstanding District practice.”

Merwin’s request for a post termination hearing was denied on Aug.

24, 2022, the suit states. However, the district offered a hearing four months after Merwin’s termination, the suit states.

In November 2022, the Hattiesburg School District hired Merwin as interim principal and in July 2023, the district appointed Merwin as principal under a year-

to-year contract, the court documents state.

The suit also states that the district deprived Merwin of her “constitutionally-protected rights of substantive due process guaranteed by the 14th amendment, U.S. Const. Art. 3, 14 by terminating plaintiff, who had a valid contract of employment with De-

fendant at the time of termination, without due process of law, without notice or opportunity to be heard, and in the absence of legitimate grounds for the termination.”

According to documents, Merwin is requesting that the court reinstate her as superintendent, forbid the

district from “asserting any alleged grounds for the termination that were not asserted at the time Defendant made the decision to terminate Ms. Mersin on Aug. 18, 2022,” award damages, prejudgment and post judgment interest, attorneys fees, costs and other relief that the court deems proper.

Conservation Corner: Medicinal Plants of Mississippi

In the last few years people have been looking more and more to nature to cure what ails them—and with good reason. With pharmaceutical prices soaring for even the simplest of aid with many side effects, it is no wonder people are looking for natural cures and health aids. Mississippi boasts of hundreds of medicinal plants, but for the purpose of space, we will only look at a few of these.

A word of caution: Always do your research before trying to self-treat with home remedies and let your physician know of any natural remedies you would like to try.

Broadleaf Plantain - is a common plant (weed) found growing in the cracks of sidewalks or along the roadside, especially during summer. The broadleaf plantain is especially helpful during the summer when mosquitoes and other biting insects are out.

The entire plant is edible and young leaves can be eaten raw or cooked. Although it is somewhat bitter, the broadleaf plantain serves as a wonderful analgesic for drawing out insect venom and lessening the resulting inflammation. A tea of the plantain leaf can be ingested to help with treating chronic diarrhea and, with its high vitamin and mineral content, the tea will also replenish nutrients lost due to diarrhea. When ingested, the aucubin (an anti-microbial agent) in plantain leaves leads to increased uric acid excretion from the kidneys and may be useful in treating gout.

Cattail - their roots, made into a poultice (a soft, moist mass of material), are used to treat wounds, sores, boils, carbuncles, inflammations, burns, and scalds. The fuzz from mature female flowerheads can be applied to scalds and burns and to prevent chafing in babies. The young flowerheads can be eaten for diarrhea. The root of the cattail is infused in milk to cure dysentery and diarrhea.

Goldenrod - has been used traditionally to treat urinary tract disorders of all kinds, influenza, and whooping cough. It is used as a mouth rinse for in-

Hancock History: Nimrod Smith Family

Rural historic neighborhoods in Hancock County were settled in the Nineteenth Century by pioneer farm families that migrated from the Atlantic seacoast. The opportunity to acquire good land by a process called homesteading was a compelling incentive for a family to move to the piney forest. The neighborhoods of Steep Hollow and Barth are considered part of the story of the network of settlements in Hancock County previously described in earlier Hancock History columns revealing the shared history of Crane Creek, Sellers, and Necaise Crossing. The Smith Family will be featured in this article. Early settlers included Nimrod Smith and John Smith Sr. Their present-day descendants, Jody Jones and his mother, Char-

leen Jones, provide us with interesting genealogy and rich history of the early Steep Hollow settlement. A nicely preserved outdoor museum, the “Shaw Homestead,” is maintained in Barth as a historic landmark and will be presented in our next column, which will provide the reader with an education depicting how the pioneer farm family survived and prospered in those challenging times.

Nimrod Smith (1798-1855) was one of the original pioneer settlers in Sellers. Nimrod has at least ten generations of descendants in the northeast region of Hancock County. His great-great-great-great grandson is a resident of Steep Hollow, Joseph “Jody” Jones (b.1974). Jody is a CWI (Certified Welding Inspector) that operates in the area as an indepen-

dent contractor. He is married to Jenae Ladner who is from Dedeaux. They have two children: Lane and Bailey. Jody attended high school in Poplarville and then went to welding school where he learned his trade. Jenae is a medical assistant. They live in the same neighborhood as Dubois Ladner on Luke Jones Road. Jody is a rich source of local history.

Jody reports that his great-great-great grandmother, Hannah Smith (1814-1908), married John Smith Sr. (1818-1857). Even though Hannah’s maiden name was Smith, she and John were not closely related. This family came from the Carolinas originally. They took a homestead on the Big Biloxi River area in Harrison County near Saucier, MS. Sadly, John died in 1857 leaving

The Islenos (I’m a What?!?!)

Being raised in the little South Louisiana town of Donaldsonville, it was easy to assume that my Ramirez name was some type of French derivative. After all, I was also Landry, LeBlanc and Bu-jol and my grandparents spoke French most of the time. In any case, the subject was of no interest – until the mid-70’s when I was the engineering manager for a group of young engineers in New Orleans.

One day, one of my engineers, who had been visiting a suppliers’ office, noticed my name in a report he found in the suppliers’ waiting room. He made a copy (not sure this was entirely legal... but after 50 years?!) and brought it to me. I eventually got around to reading the report:

THE CANARY ISLANDS MIGRATION to LOUISIANA, 1778 – 1783 “The history and passenger lists of the Islenos volunteer recruits and their families” by Sidney Louis Villere’, March 1970.

To my amazement, I discovered that I was an “Islenos” (pronounced

“E-lain-yos”). In plain English, my ancestors came to the US from the Canary Islands in the late 1700’s, had significant influence on Louisiana, and fought with the Americans against the English in the American War of Independence. (I and wife Audrey are eligible to become members of “The Sons and Daughters of the American Revolution!” Wow!!)

Anyway, in the 1770’s, the King of Spain was determined to protect his colonies in the New World, particularly in Louisiana and the Gulf Coast. Because, I suspect, the people on the Spanish mainland were too smart to want to go to such a hot, humid, mosquito infested land, the King sent Spanish officers to the Canary Islands to recruit (shanghai???) so called “volunteers” to Louisiana.

Between 1778 and 1783, eight ships conveyed several hundred Canary Islanders to Louisiana. They were called “Islenos” because their ancestral domain was a chain of small is-

lands about sixty-five miles west of the African coast and southwest of the Spanish peninsular. They were members of the white race and spoke a native Portuguese dialect.

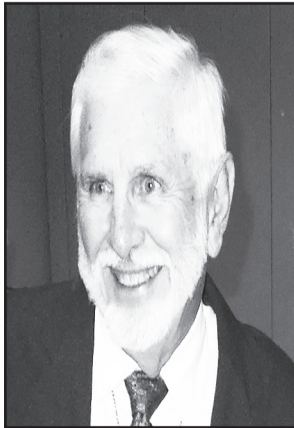

The “Islenos” were brought to four South Louisiana settlements: “San Bernardo de Galvez” just east of New Orleans in the Verret/ Yscloskey area.

“Galveztown”, located on the shores of the Amite River near the current towns of Manchac and Ponchatoula.

“Valenzuela”. Located at Belle Alliance Plantation on the shores of the Chetimachas River which is now Donaldsonville on Bayou Lafourche. (As an aside, both my grand parents and mother were born on Belle Alliance Plantation.)

“Nueva Iberia”, located on the shores of Bayou Teche in Iberia Parish (now New Iberia) near Lafayette, Louisiana.

On May 8, 1799, the King of Spain, Don Carlos III, formally declared war on England and joined with France

to support the Americans in their War of Independence. The Islenos, many of whom were soldiers, jumped into the fray with enthusiasm with skirmishes attacking the English at Natchez, Manchac, Baton Rouge, Mobile and Pensacola. Reportedly, some skirmishes took place around Lake Borgne and along the Mississippi Gulf Coast. The war reached its climax in the South when the Islenos joined the Americans under US General Andrew Jackson to defeat

the British under Major General Edward Pakenham in the Battle of New Orleans in 1815.
Details of the battle are available at the Chalmette Battlefield about 5 miles below New Orleans.
A review of the ships’ manifests revealed just how many names that I had previously assumed were of French origin were, in fact, Spanish.
These include names like Rodriguez which the French pronounced “Ro’-drigue” and Martinez which became “Mart’-a-nez”. Others included names like Acosta, Vega, Falcon, Truxillo, Alleman and Marrero.
The word “creole” itself derived from the Spanish “criollo” meaning people born and bread in the New World. This, as opposed to the word “Cajun”, a South Louisiana French derivation meaning descendants of Acadian immigrants, 5,000 of whom arrived in South Louisiana in the late 1700’s.

(Actually, Cajuns are known by still another name but the Editor would probably frown on too much specificity here).
We most often think of New Orleans as French, ie the “French Quarter”. However, much of the older parts of New Orleans are almost exclusively Spanish architecture. Main buildings in the French Quarter like the Cabildo and the Presbytere (originally called Casa Curial) flanking St. Louis Cathedral are Spanish architecture, not French. This came about when much of the early French architecture was destroyed by fire during the Spanish rule and, thus, rebuilt with Spanish architecture.
Other Spanish influences include many street names, such as Miro, Gayoso, and Galvez which are Spanish, not French as I had thought for many years. Even some foods have a Spanish derivation. For example, Jambalaya, which I always thought was of South Louisiana French origin, was in fact developed in the French Quarter in an attempt to create a new-world paella. Paella is a classic Spanish rice/seafood dish.

I was surprised to learn that the Isleños were a nationally recognized group. The Society of the Daughters of the American Revolution actually has a DAR Canary Islander Chapter recognizing the descendants of the men and women patriots, “the Islenos”, who helped and supported the founding of our nation.
In recent years, New Orleans has begun to recognize and celebrate the impact of the Spanish immigrants on the city itself. In March of each year, New Orleans, under the auspices of the Canary Islanders Heritage Society of Louisiana, hosts the annual Los Isleños Fiesta in St. Bernard Parish - the cite of one of the first Islenos settlements - promoting and celebrating the history of the Spanish ancestors. As with almost any South Louisiana celebration, the festa features drinking, food, music, drinking, crafts, and liquor, as well as groups of musicians and dancers from the Canary Islands. In addition, they had significant resources for that time, and indeed, were “well-to-do” back in their home community in rural North Carolina.
Hannah never remarried. Over her lifetime, she and her family prospered. When she died,

she had accumulated 640 acres of good farmland. Some of her descendants still live on that land in Steep Hollow. She reared nine children, and these offspring became leaders of the community. Her youngest son, Telfair Smith, also accumulated a large tract of farmland. He donated land for the school and the Steep Hollow Church. Telfair married Miranda Breland. Hannah died in 1908 and was the first person to be buried in the Old Smith Cemetery on Barth Road. Another cemetery in town is the New Steep Hollow Baptist Church Cemetery.
These pioneer settlers

generated a rural society that survived, despite the absence of modern conveniences such as electricity, plumbing, or running water. These “homesteaders” reared large families and their descendants are the rich fabric of Hancock Society today. It is important for modern readers to understand how herders, cattlemen, and sustenance farmers lived in the Nineteenth Century. Fortunately, a quintessential sheep farm has been preserved in its original form as an outdoor museum in this neighborhood called the “Shaw Homestead,” which will be presented in our next column. Pi-

oneer settlers like Hannah Smith populated the United States from the Atlantic Ocean to the Pacific Ocean. In one hundred years the most prosperous, robust national economy in history grew out of their hard work and ingenuity. The extended Smith Family stretched out in every direction. One relative, “Poplar” Jim Smith, was the namesake of Poplarville and was one of the original settlers of that town. Jim Smith had a grove of poplar trees on his farm.
In our next column, the rest of the Smith family will be presented as well as the aforementioned Shaw Homestead.

flammation of the mouth and throat, and it is also applied directly to the skin to improve wound healing. Goldenrod is used as “irrigation therapy” to increase urine flow to treat inflammatory diseases of lower urinary tract, as well as kidney and bladder stones.

Mayapple - can be found in woods and clearings. American Indians and early settlers used roots as a strong purgative, “liver cleanser,” for jaundice, constipation, hepatitis, fevers, and syphilis. Resin from the root, podophyllin (highly allergenic), is used to treat warts. Podophyllotoxin, an important lignan from the root, has anti-cancer and anti-malarial activity.

This is a very short list of medicinal plants found in our great state. If you are interested in learning more about these natural remedies, it is best to find someone highly educated in this field because experimenting on your own can be dangerous—while there are many plants in our state that help with illnesses, we also have our own variety of poisonous plants that can cause terrible illness or even death.

CITY OF WAVELAND WITHOUT HAVING FIRST OBTAINED A PERMIT TO DO SO.

IT IS HEREBY ORDAINED by the Mayor and Board of Aldermen of the City of Waveland, Mississippi as follows:

SECTION I. It shall be unlawful for any person to burn any debris, trees, trash, grass, or any other flammable material within the limits of the city of Waveland without having first obtained a permit from the Fire Chief, or an authorized member of the Waveland Fire Department.

SECTION II. The permit shall be issued only for such fires which can be conducted under controlled circumstances and without danger to life or property. Waveland Fire Department Controlled Fire Authorization states the following shall be the guidelines for issuance of a permit:

CLASS NO. 1 CONTAINED FIRE: In a wire burner, metal drum, outdoor fireplace, etc. with a minimum of 15 feet from any structure.

CLASS NO. 2 OPEN FIRE: Safe area around fire with continual standby, (competent person), with a height of material not to exceed three (3) feet and five (5) feet in diameter. A garden hose on standby, with a minimum distance of 50 feet from any structure, with area cleared to prohibit spread within that 50 feet.

Upon a justifiable complaint from citizens, or if fire is endangering passerby such as public street or private property, said fire shall immediately be extinguished as directed by the fire department. All fires shall be constantly attended until fire is out. Permits do not authorize lot clearing or burning. The City of Waveland prohibits burning on city roads, streets, ditches, ditch

banks and city right-of-way.

SECTION III. The permit shall be valid for 30 days unless canceled or revoked by Waveland Fire Department due to a burn ban or violation of this ordinance. Upon continuous violation Waveland Fire Department shall have the right to prohibit issuance of a permit to said address or person.

SECTION IV. The issuance of such permit shall in no way relieve the person obtaining same from responsibility for burning of said fire in a safe and prudent manner and in a manner which shall not endanger life, health, or property.

SECTION V. The City of Waveland shall assume no liability for the issuance of said permit and the issuance of said permit shall not be considered as a guarantee or warranty that said fire is safe and will cause no danger to life, health, or property.

SECTION VI. Said prohibition shall not apply to the operation of properly constructed fireplaces within a dwelling house.

SECTION VII. Waveland Municipal Court shall be the proper venue for the enforcement of violations of this ordinance. Any person, firm, or corporation who violates this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be fined a sum of not less than one hundred dollars (\$100.00), nor more than five hundred dollars (\$500.00).

SECTION VIII. The Fire Chief for the Waveland Fire Department, on behalf of the City of Waveland, shall and does hereby have the authority to issue a city-wide burn ban when in his or her professional judgment deems it necessary for the protection of life and property. Burn bans issued by the Waveland Fire Chief shall include and exclude the following:

What is Not Allowed During a Burn Ban

Anything with an open flame that produces an ember is not

allowed during a burn ban. The wind can carry floating embers away from the original fire and start a spot fire up to one-half mile away from the burning area. This includes:

- Campfires
- Bonfires
- Fire pits
- Fire rings
- Burn barrels
- Debris burning
- Field burning

What is Allowed During a Burn Ban

- Propane / Gas grills
- Propane / Gas heaters
- Charcoal grills

SECTION IX. Ordinance No. 142 previously adopted is hereby repealed.

SECTION X. This Ordinance shall become effective 30 days after its passage and shall be published in a newspaper having general circulation in Hancock County, Mississippi.

The sections of this Ordinance and the provisions hereunder are separate and independent of each other; and if any Section, Sub-Section, clause, phrase, or portion of this Ordinance, or the application thereof be held invalid or unconstitutional by a Court of competent jurisdiction, such holding shall not affect remaining portions of the Ordinance.

Alderman Gamble moved, seconded by Alderman Clark to approve this Ordinance Prohibiting the Burning of Trash, Debris, Grass and Other Flammable Material within the limits of the City of Waveland without having first obtained a Permit to do so.

The motion having received the affirmative vote of the Board of Mayor and Aldermen of the City of Waveland, Mississippi, the Mayor declared the motion carried and the ordinance adopted on this the 16th day of August, 2023.

In a separate matter, the board heard from Gerald Blessey with the Mississippi Sound

Coalition.

He said the Mississippi Sound has been slowly declining.

“In 2019, the Bonnet Carre Spillway opened and gave us a real wake up call,” he said. “Mississippi scientists that we have been consulting tell us you must act soon to change the landscape of the Mississippi River.”

Blessey said that the Bonnet Carre Spillway has been opened more in the past six years than the 60 years prior.

“If it keeps happening, there’s no doubt, our scientists are telling us that it will be a dead sea in a generation,” Blessey said.

He said the coalition of cities and counties need to figure out a way to compel the Corps of Engineers to manage the river without destroying the sound.

Blessey asked if the city would consider budgeting funding for the coalition’s upcoming legal actions aimed at protecting the Mississippi Sound.

The board approved a motion to take the matter under advisement.

The board also approved a motion appointing Cadence Insurance as the city’s insurance broker for the following insurances: Property and casualty, officers and director’s liability, equipment, employment practices liability, general liability, automobile/motor vehicle fleet, and crime and cyber liability.

The next regular board meeting is scheduled for Sept. 5 at 6:30 p.m.

Flag Retirement Program

Edmond Fahey Funeral Home works with local residents and the veterans services organizations to properly retire any U.S. flag that has reached the end of its service. Our program is designed to honor our national heroes, our military veterans, and to give dignity to our American Flag when it is no longer worthy of display. We strive to see that each veteran being cremated has a flag. There is no charge for this service to our veterans.

According to the United States code, Title 4, Chapter 1, Subsection 8: "The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

If you would like to honor a deceased veteran by donating an aged or worn flag to be properly disposed of, you may do so by delivering the flags to our funeral home located on the corner of Necaize Avenue and Main Street.

"We pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

The Hancock Health Foundation, in collaboration with the Hancock County Library System, the Mental Health Association of South MS and Pine Belt Mental Health, will provide free 'Youth Mental Health First Aid' (YMHFA) as part of the library system's GOOD to KNOW! series and will provide training to adults who live with, work with or serve children and teenagers.

The next one-day training session will be held this Friday, Aug. 25, from 8:30 a.m. to 4 p.m. at the Pearlinton Branch of the Hancock County Library System. Breakfast and lunch will be provided to participants.

YMHFA is designed to teach parents, family members, caregivers, teachers, school staff, peers, neigh-

bors, health and human services workers, and other caring citizens how to help an adolescent (age 12-18) who is experiencing a mental health or addiction challenge or is in crisis. YMHFA is primarily designed for adults who regularly interact with young people.

The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.

“We have recently seen the devastating effects mental health issues in our youth can have on our community at large with

the recent shooting at an after-prom house party," said Sherry Ponder, President of the Hancock Health Foundation. The shooting resulted in the death of two local teens, and injury of four others. She added, "perhaps the outcome could have been different if someone had been able to recognize and provide Mental Health First Aid."

To register for the workshop, please call the Waveland Library at (228) 467-9240.

The libraries' willingness to host the trainings, provides opportunities in our various community neighborhoods. Sponsors of the Youth Mental Health First Aid Workshop Series include the Hancock Health Foundation, Hancock County Library System, Mental Health Association of South Mississippi and Pine Belt Mental Health.

Reading the Bible Stories

By **REV. C. GERALD RICHARDSON, D. MIN**

C. Gerald Richardson, D. MIN.

Bible stories are a major part of the cultural landscape of American life. Even those who rarely attend church or read the bible are usually familiar with some of the stories which are to be found there. Parables, accounts of gatherings, stories of personal encounters, and more

are generally known by large numbers of people. The so called “Golden Rule”, which is a moniker appearing nowhere in scripture, is widely present in the awareness of our society. Sometimes these quotes are used severely outside of their proper context, but they still have power.

In one sense, this is a plus for religion in general. It is a little like the familiar expression about publicity which declares, “It does not matter what you say about me, just spell my name right.” On the other hand, context does matter. Understanding the time, place, setting, and circumstances of a particular biblical account can make a great deal of difference

in its meaning.

How then, might the serious reader of scripture approach this important task? Some thoughts might be helpful:

*Take seriously the historical and cultural setting from which the text originates.

*Pay attention to current situational realities which could help in understanding the text. (The highly respected 20th Century theologian Karl Barth once said that he studies theology with the Bible in one hand and a newspaper in the other.)

*Try to locate yourself in the text. If you were in the story, who would you be?

*Read biblical texts in light of what we currently know about history, science and oth-

er academic disciplines which were not known at the time of the writing.

*Use meditation, reflection, and prayer in reflection on the text. (This will differ according to personality, prior attitudes, and other realities, but it is important.)

The texts of scripture should not be treated as a “rule book”. This is not a matter of simply looking up a rule as might be done when playing a board game or a sporting event. Scripture is inter-active. It is best read in light of the human experience of the reader. This is not the same as doing whatever seems best in your own situation. It calls for honest reflection, deep interior exam-

ination, and motivation to seek truth wherever it leads.

This is not easy. To quote a line from the movie, “A League of Their Own”, “If it were easy, everybody would be doing it”. On the other hand, it is worthwhile. It has the potential to lead us to meaning in our lives, and it offers a way to inner peace. There will always be questions, but peace is not simply the absence of questions. In the final analysis, peace is in finding the capacity to live with the questions. To paraphrase the Apostle Paul, “We may see through a glass darkly, but there is the hope of eventually seeing face to face.” May we read the scriptures with a longing for that face-to-face vision.

ROCKS SLIP PAST WARRIORS IN GRIDIRON JAMBOREE 15-14

BY JOSEPH W. GEX II
STAFF WRITER

The Saint Stanislaus Rock-A-Chaws hosted the D’Iberville Warriors in a football jamboree on Friday evening ‘between the walls’ at the Brother Philip Memorial Athletic Complex. It was a modified and controlled two running clock quarters of play that allowed both teams to work on all three phases of the game - offense, defense, and special teams. The Rocks came from behind in the second quarter of action to slip past the Warriors with a 15-14 victory. Ian Gonzalez Rios

threw two touch-down passes Ethan Galloway and Rios scored the two-point conversion. Galloway also opened the game with a 72-yard kickoff return that gave SSC great field position on their opening possession. SSC first-year head coach Tim Lala commented, “I thought our offense played well. We started the game off with some momentum on the kickoff return and followed that up with a quick touchdown. Them we were able to get a stop on defense late in the second quarter of play and execute a two-minute drill to get the win. It

wasn’t all pretty as we committed some mistakes and pre-snap penalties. However, I think it gave both teams a good look at what we need to work on to get in a better flow for opening night next Friday.” Lala continued, “Tonight was really about evaluation against an opponent other than yourself. The game gives us a chance to see how fast we can run a play then can we dial it down. It gives special teams new meaning when an opponent lines up against you. I thought our defense also helped set a tone with the play of our front seven. Overall, I am very proud of how

we did not back down from them. It was a good litmus test for us so that we can see what we need to work on for Forrest County this week. I am super proud of how we battled and executed when we needed to.” The Rocks will host Forrest County AHS next Friday, August 25, at 7 p.m. ‘between the walls’ to open the 2023 gridiron season. See you at the game!

HAWKS SOAR OVER TIGERS 29-7

BY JOSEPH KEYS
CONTRIBUTING WRITER

The Hancock High school Hawks defeated the Bay High Tigers by a score of 29-7 on Friday night at Brett Favre Stadium in Kiln.

Before the game Hancock High honored the late Dwayne Bremer, the long time sport writer and PA announcer for the Hawks. Dwayne was affectional knows as "Double D." He

passed away on April 2, 2023. His widow, Mary Ann Bremer, was presented with a framed jersey and memory wall of photos before the game. She said that it was a special moment for her.

"This showed how much everyone cared for him," she said. "He loved the kids, the kids were everything to him."

The Hawks used a potent offense and stingy

defense to overcome the Tigers on Friday. The offense scored on all but one possession, and the defense did not allow a touchdown during the Jamboree game. Hancock Coach Neil Lollar gave his thoughts on his team performance after the game: "I thought we executed pretty good. We did have some flaws, we had some penalties, we got to get them cleaned up. I gave

them 24 hours to enjoy this and then we have to get ready for Natchez next week."

The Hawks will open the season next week as they travel to Natchez to take on the Natchez Bulldogs. The Tigers will open their season next week in Pascagoula vs. the Resurrection Catholic School Eagles.

LADY TIGERS TAKE SECOND IN VANCLEAVE TOURNEY, LADY HAWKS AND OLA GET WINS

BY JOSEPH W. GEX II
STAFF WRITER

The regular season on the volleyball courts really jumped into overdrive last week with all teams in action. The Lady Hawks of Hancock picked up two wins while Bay High stumbled against d'Iberville and played in the Vancleave tournament. The Crescents picked wins against Gulfport and Biloxi. This weekend OLA hosts their annual tournament and Bay High and Pass Christian will be playing in it, as well.

BAY HIGH LADY TIGERS

The Lady Tigers (2-6) dropped a hard-fought game to the d'Iberville Lady Warriors on Tuesday 14-25, 17-25, and 20-25. Bay High was in each game but unforced errors kept them from changing the outcome of the match.

Bay High head coach Logan Lockard commented, "The girls came in this week much more focused than last week. We clearly emphasized our goals this week and the girls are working hard to reach them. We are continuing to focus on individual skill and trust in each other on the floor. This non-division competition we are playing will help us get prepared for our division schedule soon."

Bay High traveled to Vancleave on Saturday for a tournament and placed second in the Lady Bulldog tournament. Game details if the tournament were not available.

The Lady Tigers will be playing in the OLA Tournament this weekend and hit the road against Purvis next Tuesday.

HANCOCK LADY HAWKS

The Lady Hawks (5-5) picked up two big wins this past week taking Oak Grove to five sets and winning 18-25, 20-25, 25-16, 25-19, and 15-11. In the Oak Grove win, Anslee James had a solid stat sheet with 6 kills, 21 digs, 27 assists, and 3 aces while Lane Wedgeworth had 3 aces, 14 kills, and 2 digs. After the Oak Grove win, Hancock head coach Greg Dillard stated, "I can't say enough about how hard these girls have worked in this game. To be able to take these 7A schools to five games when we don't match up well up front is a testament to them. In the first two games, we hit into their strength because we want to hit it hard. However, we have to use our whole toolbox and go off-speed. When we did that, it took them out of their game."

On Thursday, Hancock

swept East Central 25-17, 25-18, and 25-19. In the game, James totaled 6 kills, 2 blocks, 20 digs, and 19 assists while Cambria Necaie contributed 3 aces, 9 kills, and 17 digs. Necaie added 6 kills, 3 blocks, 4 digs, and an ace while Wedgeworth had 8 kills and a block.

This week the Lady Hawks play at Long Beach tonight and at Picayune on Tuesday.

OLA CRESCENTS

The Crescents (7-2) split a pair of games against Gulfport and Biloxi last week.

On Tuesday, the Crescents lost 3-1 to Gulfport 25-19, 14-25, 24-26, and 19-25.

On Thursday, OLA beat Biloxi in four games 25-19, 17-25, 25-17, and 25-21.

FOOTBALL 2023: THE TIME IS NOW!

BY JOSEPH W. GEX II
STAFF WRITER

The time has finally come. We have waited for what seems like an eternity and tomorrow cannot get here fast enough. Everyone knows what I am talking about...the beginning of football season!

When spring football's final whistle blew during the second week of May, many of us felt like this time of year would struggle to get here. To make matters worse, the oppressive heat wave that has hung over our heads has only made the time seem to tick more slowly. But the time is now. It is finally here, and we cannot wait for the first whistle from the head zebra on the gridiron.

In the Deep South, this time of the year is special. Cities across our state shutdown to support their local heroes on Friday night. Small worship halls that occupy cutouts on street corners in Pelahatchie, French Camp,

and Booneville shine just as bright as the illuminated cathedrals located in Madison, Brandon, and Gulfport and everywhere in between.

For me, in areas like Bay St. Louis, Kiln, and Pass Christian, when I walk into the places of worship, I view it slightly different than most. Tomorrow night begins my 32nd season of recording the sermons of the head mentors where I find myself worshipping on Friday evenings. Now, that seems like a really long time, but it doesn't feel that way. I can still see the plays from my first season of coverage like it was yesterday.

I grew up in Bay St. Louis listening to stories of the great ones from yesteryear such as Doc Blanchard, Billy Thomas, Mike Meyers, Gene Lang, and heap-ing helping of heroes with last names like Necaise, Ladner, and Cuevas.

As I got older, I found myself in the middle of that gridiron playing

against opponents with names like Greg Necaise, Brian Laneaux, Brett Favre, Charles Burton, Terrance Goff, Shanall Conway, and just a few Dedeaux's and Swanier's across the bridge.

Now, as I look back over the span of the three-plus decades of covering the greatest game ever invented, I recall covering heroes such as NFL star Tank Williams, NCAA champion Ty Barrett, and Justus Williams at Bay High. In Kiln, I remember perhaps the most elusive running back I have covered in Darryl Williams, a dominating defender in Carson Jordan, and the epitome of lightning in a bottle in Chase Fagan. Across the bridge, I have been wowed by the athleticism of Calvin Woods, Maurice Hardnett, and Zavion Chamberlain.

For the majority of my career, I have found myself comforted 'between the walls' of the Brother Philip Memorial Athletic Complex

recording the prowess of the best high school quarterback I have ever seen in Myles Brennan and perhaps the best football player I ever covered in Dylan Favre. There have been hulking beasts on the line in the NFL's Stephen Peterman and JC Brignone. There is perhaps the best athletes I ever covered and coached in Kris Cannon and Jason Santiago and a few of the meanest individuals to ever roam between the boundaries in Cameron Byrne, Lee Klein, and Boomer Scarborough. Kollin Cannon and Mitchell Walk were as smooth as silk on the gridiron and Krisjon Wilkerson was simply the best wide receiver in the nation in 2009. And there are so many more names that I could spend days talking about such as Lee Negrotto, Dallas Payne, Jordan Bradford (both of them), and Chase Rogers among others.

Tomorrow begins a new season on the

gridiron, and we all wait with bated breath to see who will lead our favorite squads into the unknown. At Joe. D. McCullough Stadium, will it be three-year starter under center Zander Ladner or the giant Ziron Brown? Or could it be an unknown commodity such as Benny Williams or Jaylen Antoine? At Hawks Stadium in Kiln, will Dylan Moran or Todd Dedeaux be the one to take the next step into legend? Or will Zach Gullung or Jeffrey Hopgood become mythical? At McDonald Stadium in Pass Christian, will Terry Patton or Jacquez Alexander take a leap into the stars? Or will it be Karsten Mooney or Micah McKay stepping up? At the Brother Philip Memorial Athletic Complex, will new signal caller Ian Gonzalez Rioz or Ethan Galloway take the reins? Or could it be Chesley Rhodes or Jacob Bradford claiming the spotlight in the

race to the finish?

In my career roaming the sidelines, I have charted 37,006 plays on offense and defense and walked off 215,465 yards. For those of you who like number conversions, that is over 122 miles. I have worked with 10 head coaches at SSC and will usher in the newest head coach tomorrow night in Tim Lala. If you add in the head coaches from Bay High, Hancock, and Pass Christian, the number is easily three dozen. And tomorrow will mark my 371st consecutive "Friday Night Under the Lights."

The time is now to see who the next group of heroes on the gridiron will be. I can't say how many more Friday nights I have in me but the next one is tomorrow, and I can't wait for it to get here.

*See you
at the game!*

THE SEA COAST ECHO WILL PRESENT PLAYERS OF THE WEEK AND ALL-SEA COAST ECHO TEAM

BY JOSEPH W. GEX II
STAFF WRITER

The Sea Coast Echo newspaper is pleased to announce that the paper will again feature an Offensive and Defensive Football Player of the Week each week during the season. Nominations will be solicited from head

coaches by the sports staff only following each Friday night of action. The head coaches will need to provide an offensive and defensive nominee along with stats for that game and a headshot photo of the players. Honorees will be selected based on their particular per-

formances from the previous Friday night games.

The newspaper will feature an All-Sea Coast Echo football team following the 2023 season for the 24th consecutive season. Head coaches for the four schools the newspaper covers

will receive a nomination packet during the week of October 16-20 detailing how to nominate players for the post season honors and when the nomination packet will be due. If the nomination packet is not received by the due date, the players will not be con-

sidered for selection. Only players nominated by their respective head coaches will be eligible for selection.

Once the first team selections have been determined an offensive and defensive team photo will be taken after the Thanksgiving break. The team will

be released right before Christmas with a special feature in the newspaper.

The Sea Coast Echo newspaper staff wishes each team the very best this football season.

BY JOSEPH W. GEX II
STAFF WRITER

The Saint Stanislaus Rock-A-Chaws will feature many new faces this season and none more notable than at head coach. The 2023 season will be the inaugural one for Tim Lala as head coach of the Rocks who comes to the school after three years at Pasca-goula High School. Lala is not exactly new to the school as he previously served as defensive coordinator at SSC during the 2014 season when the Rocks went to the Class 4A state championship. Last season the Rocks advanced to the second round of the Class 3A state playoffs losing to eventual state champion Raleigh 30-21. One of the biggest voids that the Rocks will be looking to fill is RB Chandler Chapman who rushed for more than 1,800 yards and 19 touchdowns last year. He is now playing for Gulf Coast. Another big void is DE

Bruno Dall who was an All-State performer last season rushing off the edge and now plays for the University of Akron. Other big losses include DB Brady Logan, OL Fulton Ascherl (MGCCC), OL Ilias Rida (SELA), and OL Layne Hearty. Lala commented, “I am pleased with our progress. The players are doing well getting prepared for the season and learning our different schemes. Over the summer, we have begun to see the fruits of our labor with our strength and conditioning program and the installs on offense and defense.” As the Rocks went through their summer program, they are different than most programs across the Gulf South as they are a resident school and have boarders that play on the football team. During summer workouts, many of those players are not available to go through the programs. Lala added,

“When we got back to school following the summer, we saw our numbers go up slightly. As a staff, we are eager to see what we look like all together as a team. And we are eager to see what our opponents look like on the field. Six of the teams on our schedule have new head coaches this season including us. We are excited to begin the season and this journey together.” In addition to Lala, the Rocks will feature several new coaches along with new faces on the field. Some of the returners are known to everyone such as OL/DL Jacob Bradford, LB Chesley Rhodes, WR/DB Ethan Galloway, and LB Spencer Cornell. Lala stated, “Jacob Bradford continues to be the guy. He is constantly improving. He will play both ways for us this year. Chesley Rhodes was one that I did not get to see until summer because baseball had a long run. He will be a competi-

tor for us on defense and may play some offense, as well. Ethan Galloway has taken a leadership role and has not missed a workout since I have been here. He is a competitor and setting the standard. Spencer Cornell is another dual sport athlete that continues to put in the work, and I am excited to see him on the field.” Other players that figure into prominent roles for the Rocks include RB/LB Isaiah Haynes, TE/LB Jaxson West, S Heith Shinn, LB Ben Cappel, P/K Evan Noel, OL/DL Andrew Whitney, and WR Levi Green. One newcomer will figure prominently into the success of the Rocks and that is QB Ian Gonzalez Rioz. Lala stated, “Ian has had a great attitude adjusting to the game. He is a competitor and has already earned the players’ respect. We are looking forward to seeing what he can do on the field.” Returning staff members include Mark Logan ‘86 (defensive backs) and Seth Rugg (WR/TE/Special Teams Coordinator) along with para-professional coaches Blake Grant (defensive backs), Richard Davidson (offensive line), and Hogan Benvenutti ‘20 (defensive

line). Lala picked up two new coordinators in Chase Cooley and Tate Thigpen. Cooley comes to SSC as defensive coordinator after spending last season coaching at PRCC. Thigpen comes to the school as offensive coordinator and spent the past few years at Sebastopol. Lala talked about his staff, “I am excited to retain Mark Logan and Seth Rugg from the previous staff along with Richard Davidson, Blake Grant and Hogan Benvenutti. We were fortunate to find Tate Thigpen and Chase Cooley and bring them on staff. Chase Cooley will be our defensive coordinator and brings a lot of enthusiasm to the role. I look forward to seeing him mature as a coach and the impact he will have on this program. Tate Thigpen comes to us a season coach most recently with Sebastopol. His offense is one that has the players excited about what it can do on the field. We set out to bring in high quality men to lead this program and I feel we have done that.” The Rocks’ non-division schedule is made up of teams with local

and continuous ties with Saint Stanislaus (Bay High, Pass Christian, and Moss Point) along with a team that used to be a division member in Forrest County AHS and two new faces all together in Stone and Escambia Academy. The division schedule of Perry Central, St. Patrick, and West Marion is one that is relatively unchanged with the one exception being Ty-lertown, a school that SSC has never played on the gridiron. Lala ended with, “Ultimately, I would not be here if it weren’t for God. I have a firm belief that I am where I need to be. My goal is to have our football program mold the young men into the men they were meant to be. We have all been brought together for a reason. I hope that we have success on the football field, but I will not be judged by my creator on that success.” The Rocks open their season Friday against Forrest County AHS ‘between the walls’ at the Brother Philip Memorial Athletic Complex. Kickoff is set for 7 p.m. See you at the game!

TIGERS LOOK TO BOUNCE BACK AFTER LOSING SEASON

●

SUBMITTED PHOTO • (Above) The 2023 Bay High Tigers

BY PAYTON NELSON
CONTRIBUTING WRITER

The Bay High Tigers are looking to improve and bounce back from a 2-7 season, their first losing season in three years, leading to disappointment coming off a second round playoff exit. Fourth year head coach, Jeremy Turcotte, looks forward to this year’s team and staff.

After getting in touch with and asking Turcotte a few questions about the offseason and upcoming season, he responded by praising his new staff and the team’s work over the offseason.

I asked Turcotte, “What did you work on most during the off season?” and I was given the response, “This offseason we rededicated ourselves to building strength and agility but most importantly, character. Last season, I did not do a good enough job coaching mental toughness and overcoming adversity. This season, we are going to do a better job of loving one another as brothers, and demanding to be paid for our hard work! In the early Spring, we dedicated two days a week to learning the nuances of the game of football. We drastically needed to improve our football IQ. At this point in my tenure as coach, we have the strongest overall team we have ever had. I believe this comes from having spent the previous three seasons in the same exact strength program from 7th through 12th grade. This has paid huge dividends. As far as on the field, we have simplified our schemes quite a bit in order to be better at what we do rather than doing a bunch of different things.” Also, Turcotte was asked, “What side of the ball do you think is going to be the most impactful this season?” He replied with, “I believe that we have to be more consistent in all three phases of the game...offense, defense, and special teams. Last year we lacked consistency...” Turcotte explained. “...Honestly, high school football has a lot to do with personnel and style matchups. If I had to put the onus on one side though, it

would be defense, only because we return less starters on that side of the ball with 5. We have also shifted some guys around. How the new starters respond and how the returners adapt to their new roles will be very important. On offense, we actually have about 13 or 14 guys who have started and played a lot of ball. We will lean very heavily on the experience of our offensive line and Xander Ladner who goes into his third year as starting QB.”

My last question was pertaining to the Tigers’ new coaching staff members as they went through a coaching change and coaching role shift over the offseason. I asked, “How do you think the staff change is going to affect your season?” Turcotte responded, “I feel very good about the staff we have this year. We lost two good coaches who moved to be closer to their homes. We return Coach Greg Necaise to lead the defense. Coach Kenny Dykes is moving over to the defensive line. Coach Jordan Sutherlin will expand his role from offensive line coach to working with TEs and running backs as well in certain situations. Coach Zach Halley is also back to coach receivers and manage our special teams. We have brought in three excellent coaches who will add a ton of value to our program. David Tadlock, who comes over from district rival, Greene County, has over 35 years of coaching experience at the high school and college level, will coach the linebackers. Coach Chris Miller joins us to handle defensive backs after winning a state championship at Bay Springs last year. And the largest addition to our staff is Coach James Cochran who will work with the offensive line after spending time over the last two decades as a standout tackle at Mississippi State, then moving into the role of chaplain at both Auburn and USM before spending some time teaching in China. I feel truly blessed and humbled at the amount of character, knowledge, and experience this group of

men brings to the table.”

In summary of this interview, Coach Turcotte believes that the change in staff, training, and team will result in success for the upcoming football season. The new staff, training, and team will provide the necessary tools for the team to achieve its goals and objectives. With the addition of new coaches and players, the team will be better equipped to compete at a higher level. Coach Turcotte is confident that the changes will pay off and lead to a successful season.

Over the offseason senior Offensive Lineman, Ziron Brown, committed to play division one football at the University of Stanford next year. Brown was first asked, “What drove you to want to be a Division 1 athlete?” He responded, “I have always wanted to be a D1 athlete because I love to compete. Competition brings out my passion for the game, it pushes my limits, and it fuels my desire to improve and be the best I can be. When I play the game of football, I play for that feeling of excitement, adrenaline, and sense of camaraderie with my teammates. That feeling inspires confidence on and off the field. Football teaches you to be resilient, and helps you build a strong work ethic. I also play football so I can let out all the anger and frustration that builds up inside of me. Another thing that drives me is the desire to show the world that you can do anything that you put your mind to. Growing up here in Bay St. Louis, I learned that people don’t believe in things until they see them. People have always said that it was impossible to go D1 from Bay High. When I moved here, I was just a young kid from New Orleans. I didn’t believe anything they said and I wanted to prove the doubters wrong.”

Second, he was asked, “How do you think football has affected you as a student and person?” Brown responded with, “Football has given me the opportunity to choose to attend one of 14

great Division 1 colleges and universities, including Stanford. This is a huge accomplishment, and gives me the opportunity to change my life. I’m being provided with a world-class education, access to top notch resources, and a supportive community. It offers opportunities for personal and intellectual growth, opens doors to prestigious careers, and fosters lifelong connections with accomplished individuals. As a person, football has had a profound impact on my life. It has taught me valuable life skills such as teamwork, perseverance, and discipline. It has also provided me with unforgettable experiences, lifelong friendships, and a strong sense of community. Overall, football has helped shape me into the person I am today.”

Brown received 14 division one scholarships for football which is the most in school history and he believes that is due to his hard work, dedication, and drive to become a top level athlete he will be able to accomplish his dreams of playing football for a high quality school.

Xander Ladner, a third year starting Junior quarterback has had a lot of pressure from his teammates, fans, and coaches to be the leader of the team. After being asked, “What do you think caused the poor performance from last year and how do you, as a leader of the team, plan to improve this year?” Ladner answered, “The

poor performance last year was because of no leadership [and instead of] having our teammates back all we did was blame it on someone else. This year leadership is [much] better and we aren’t blaming other people when something goes wrong; we talk about what went wrong and we are solving the problem without arguing. As a leader of the team, I’m trying to improve the trust my teammates have in me. I want them to trust me with the football in my hands when the game is on the line, and [when] we are in tough situations.”

Xander will have some familiar faces in his receiving corps including junior, Avery Harris, and senior, Tyler Rose, as well as Tight End, Hayden Hearty. At running back are juniors Jaylen Antoine and Charles Richardson. On the offensive line are seniors

Ziron Brown, Brandon Russel, Michael Smith, Roy Reyes, and junior Brooks Martinez.

The defensive line includes, senior Roy Reyes, juniors Dane Murphy, Zander Saunders, and sophomore Dekaiden Johnson. The Line Backer Corps is ran by seniors Christian Key and Benny Williams and junior Charles Richardson. The secondary is led by returning seniors Kelvin Leneaux, Alex Harris, juniors Trevion Allen and Nehemiah Sander, as well as freshman Devin Jones.

The Tiger’s open up their season on the road against Resurrection in Pascagoula. Their Homecoming game is against PCS and their senior night is against Pass Christian.
